NAYS: Lawson

ALLIED WASTE COMPOST PROPOSAL

The Council reviewed the proposal from Allied Waste to handle the City's composting system. Allied's proposal of \$62,000.00 would be the option that would most closely match our current option. This would be a sizeable increase from current operations. Herrig was directed to contact the City of Davenport and Dubuque Hardwood Company to see if there is a market for our base product with the hopes that if the material was moved out earlier there would be a reduction in the odor problems.

JACKSON COUNTY PIONEER DAY COMMITTEE

The Jackson County Historical Society is working on the October 6, 2013 Pioneer Day held at the Jackson County Fairgrounds. The committee would like to showcase all of the communities in Jackson County. The Council thought the Chamber should be contacted for their input and possibly see if Susan Lucke would be willing to do something on the Bellevue War.
